

## **Terms of Service for InfinityQ 15-Day Free Trial**

Welcome to the InfinityQ 15-Day Free Trial! We are excited to offer our TitanQ Solver for evaluation. This 15-day free access to TitanQ is subject to the following Terms of Service (ToS). By accessing or using our service, you agree to the following:

### **1. Eligibility and Access**

1.1. Eligibility: This program is available exclusively for potential users to evaluate TitanQ.

1.2. Access Grant: Eligible organizations will be granted free access to the TitanQ Solver for a period of 15 days, with the option to subscribe to a paid plan thereafter. Access may not be transferred to any other user. We are happy to provide additional access to members of your organization subject to the Terms of Service.

### **2. Use of Service**

2.1. Permitted Use: The service may be used solely for business purposes related to the company's field of operation.

2.2. Feedback: Companies are encouraged to provide feedback to InfinityQ, helping us enhance the TitanQ Solver and overall user experience.

2.3. Prohibited Use: The service is meant purely for prototyping, evaluation and testing. The InfinityQ 15-Day Free Trial is neither intended nor permitted to be used in production environments.

### **3. User Responsibilities**

3.1. Account Security: Users are responsible for maintaining the security of their accounts.

3.2. Compliance: Users must comply with all applicable laws and InfinityQ company policies.

3.2.Limitations: Users acknowledge that the InfinityQ 15-Day Free Trial is only a limited right to use the TitanQ Solver and that nothing in this Terms of Service transfers or conveys any ownership, title, or other right or interest in or to the TitanQ Solver (in whole or in part) or in or to any software, designs, technology, concepts, or other intellectual property rights in or associated with any of the foregoing, all of which are hereby expressly reserved by InfinityQ.

3.3 Prohibited Use: User is responsible for providing and maintaining all necessary equipment, hardware, and network connectivity necessary for access to and use of the TitanQ Solver. User shall cooperate with InfintyQ and its agents, including by providing access to any equipment and network, as may be necessary for InfinityQ to provide the

InfinityQ 15-Day Free Trial. User will use the InfinityQ 15-Day Free Trial only as intended in accordance with these Terms of Service and not for any other purpose or in any other manner. In addition, at all times such use must comply with all applicable laws, rules, regulations, ordinances, judgments, decrees, governmental authorities, and court orders (collectively, "Laws"). You will notify InfinityQ immediately if you know or have reason to suspect that there has been any unauthorized or improper use of the TitanQ Solver, violation of Law or other noncompliance with these Terms of Service. Without limiting the generality of the foregoing, you specifically agree to refrain from doing or attempting to do any of the following or authorizing, instructing, or permitting any personnel, or other person to do or attempt to do any of the following: (a) Use TitanQ Solver or InfinityQ content (in whole or in part) in any manner that is unlawful or harmful to InfinityQ's rights and/or the rights of any third party, that is in violation of these Terms of Service or any Law, or for any purpose other than as intended, including, but not limited to, by uploading, downloading, displaying, publishing, performing, broadcasting, transmitting, retransmitting, modifying, creating derivative works from, reproducing (whether by linking, framing, or any other method), or otherwise exploiting the TitanQ Solver or any InfinityQ content (in whole or in part); (b) alter, or destroy data on, from or through any service or retrieve any data on, from or through any service other than that which is made directly available to you on or through the InfinityQ 15-Day Free Trial; (c) probe, scan or test the vulnerability of a system or network on, from or through any service; (d) breach or defeat system or network security measures on, from or through any service such as authentication, authorization, confidentiality, intrusion detection, or monitoring; (e) interfere with or disrupt any service or InfinityQ's business, operations or services, or those of any third party; (f) interfere with or disrupt any computer, host, network, or telecommunications device maintained by or on behalf of InfinityQ or by any third party; (g) interfere with or disrupt the legitimate use of any service by any person, including, without limitation, via means of a virus, overloading, "flooding," "spamming," "mailbombing," or "crashing" any service or any server or other computer of any other person; (h) transmit, distribute, disseminate, publish or store any information that is in violation of any Law or is defamatory, abusive, obscene, indecent, or harassing, or that threatens or encourages injury to persons or property or infringement of the lawful rights of any party; (i) violate the privacy rights of any person; (j) use any technology that is or reasonably should be known to contain software viruses, trojan horses, or any computer code, files, or programs designed to disrupt, destroy, invade, gain unauthorized access to, corrupt, observe, or modify without authorization, any of our data, software, computing or network devices, or telecommunications equipment, or those of any authorized user or of any third party; (k) use any service to send, relay, forward, bounce, reply, or otherwise route commercial or non-commercial unsolicited electronic messages or other spam; (l) copy (whether directly or by use of any scraping or similar

techniques) any InfinityQ Content; (m) falsify identification or impersonate any person or entity, including, but not limited to, an InfinityQ representative; (n) resell, decompile, reverse engineer, disassemble, or otherwise convert any element of the TitanQ Solver or any Service or InfinityQ content comprised of software or other code to a perceivable form; (o) gain or attempt to gain unauthorized access to any service, account, computer system, or network connected to the TitanQ Solver or other aspect of InfinityQ's technology infrastructure, whether through hacking, password mining, social engineering or any other means; (p) Obtain or attempt to obtain any file, materials, content or other information that is not intended to be made available to you by the owner or authorized licensor thereof or misappropriate or misuse another person's or entity's information; (q) publish, post, upload, download, store, copy, transmit, distribute or disseminate through any means (collectively, "Process") any information that has been obtained illegally or that you do not have the appropriate rights to Process, or use or Process any information, including, without limitation, images, videos, and photographs, in any manner that infringes any copyright, trademark, patent, trade secret, other proprietary, publicity, or privacy right of any person or entity; (r) sublicense, lease, rent, loan or otherwise transfer to any third party the right or ability to access or use any service, documentation or Infinity content other than as contemplated herein; (s) use or access any InfinityQ content or Solver in connection with the development, marketing or sale of a competitive product or service; (t) use any InfinityQ service as part of a time-share, cloud services or service bureau or on a hosted basis for its own ASP or SAAS offering; and (u) perform or disclose any benchmark or performance tests of any InfinityQ service, or perform or disclose any security testing of any InfinityQ service or associated infrastructure without InfinityQ's prior written consent, including, without limitation, network discovery, port and service identification, vulnerability scanning, password cracking, remote access testing, or penetration testing.
